CONCLUDE MEETING

SHIP OPERATIONS COOPERATIVE PROGRAM

AGENDA

(Cont'd)

MARITIME for PRIMARY and SECONDARY EDUCATION COALITION (MPSEC)

Fall Meeting Starts 3:15 PM Wednesday, December 8, 2010

Maritime Institute of Technology and Advanced Graduate Studies (MITAGS) Linthicum, MD

Breakout session in Room No. 305

The Maritime for Primary and Secondary Education Coalition (MPSEC) is a group of individuals, schools, businesses and government agency's with a common goal of fostering the development of maritime awareness and education to our nations youth as a pathway to a rewarding career in our country's maritime and transportation industry.

The fall meeting of MPSEC will be conducted in conjunction with the December 8-9, 2010 Ship Operations Cooperative Program (SOCP) meeting being hosted by MITAGS in Linthicum, MD. Please sign up for the meeting at the SOCP web site www.socp.us. The coalition has arranged for call in lines to be available for participants who cannot attend the meeting in person. **Call phone number 1-408-600-3600 Access Code 805373104 about 5 minutes prior to the start of the MPSEC Working Group meeting at 3:15 on December 8, 2010 and you will be linked to the meeting. Please announce yourself when you are connected.**

Meeting Format

Art Sulzer / Carol Wolosz MPSEC Advisory Board members will act as meeting facilitators. The meeting will consist of maritime K-12 school leader reports, topic presentations, open forum discussion and planning for future projects and objectives the coalition wishes to pursue...

The MPSEC Advisory Board will hold their meeting following the conclusion of the general meeting at 4:30.

Video Presentations: Participants who cannot attend may view the video presentations of presenters during the presentations or at a later date by following the links provided under each presentation or at the MPSEC Webb site at a future date.

Objectives to Accomplish During the Meeting:

- Strategy/action plan for revision # 1 of the MPSEC "Introduction to Maritime Studies Course".
- Direction/action plan for moving forward with continued development of K-12 maritime education materials.
- Discussion on planned update of MPSEC Webb site.
- Discussion of projects working in partnership with the Southeast Maritime and Transportation Center (SMART) at the Tidewater Community College Hampton Roads Virginia. The center was recently funded by National Science Foundation to promote educational career pathways to maritime and marine transportation careers

Meeting Agenda

Presentations and post meeting material will be available on the SOCP web site at <http://www.socp.us>
